

[ON THE] STAGE

TICKETING, PROMOTION, AUDIENCE ENGAGEMENT, AND MORE THE SHOW MUST GO ON[LINE]

TRADITIONAL

Maintain the classic, live theatre experience while managing your ticketing, show promotion, audience engagement, merchandise sales, and more through our all-in-one online platform.

VIRTUAL

Produce your show remotely (from up to 100 unique devices!) and stream the live or recorded performance to your secure On The Stage show site.

STREAMING

Stage your production in any performance space, shoot on your mobile device(s) or professional equipment, and stream the live or recorded performance directly to your secure On The Stage show site.

HYBRID

Perform your staged production to a limited, in-house audience while streaming to unlimited ticket holders from your secure On The Stage show site.

CREATE YOUR CONTENT-RICH SHOW SITE IN MINUTES

Choose from our catalog of designer themes or upload your original artwork and logo. Feature your cast & crew, about the show content, production media, and more. The theatrical experience begins with the first click!

DRIVE SALES AND ENGAGEMENT WITH INTEGRATED ONLINE AND EMAIL MARKETING

Easily schedule promotional emails and social media posts from the On The Stage dashboard. Include your show art and URL on posters and flyers, in ads and announcements, and link to your social accounts to direct traffic to your show's fully-branded online home.

SELL TICKETS AND MANAGE YOUR BOX OFFICE WITHOUT BREAKING A SWEAT

We track it all, generate easy-to-read reports, and provide a free Walk Up app to help your day of show run smoothly.

NO COST TO YOUR ORGANIZATION

All credit card processing and handling fees—among of the lowest in the industry—can be seamlessly passed on to your patrons at the time of purchase. There's no cost to get started. Our platform is 100% free to use.

ON THE STAGE

PROMOTE YOUR SHOW

Free production and organization websites, show art library, and more. Create a seamless online presence with automated emails and social media posts featuring your artwork and site URL.

SELL TICKETS

Online, at the door, cash and credit card transactions. Plus, create all the comps, discount codes, and subscription packages you can imagine!

ENGAGE YOUR AUDIENCE

Feature production media, behind-the-scenes content, and more. Promote your entire season *and* special events in one place to build year-round community.

SELL MERCHANDISE & ACCEPT DONATIONS

All from your secure On The Stage website. Inventory management is a thing of the past with orders shipped directly to your patrons. Every cent of the profit and all donations go to your organization, no strings attached.

TRACK YOUR SUCCESS

From audience data to complete financial reporting, all your information is available at the click of a button.

SKIP THE HASSLE

Built easy to use and supported from day one to final curtain (and beyond). You'll never have to manage it all by yourself again. And there's no cost to your organization!
